The Friends of the Alger Public Library (FrAPL) announce the 5th Annual "SECOND EXPRESSION" Literary Art Show, open to all residents of Hardin County and all students of Hardin County schools. This Art Exhibition and Fundraiser will be held at the USV School Auditoria, November 2, 2019.

Our objectives are to provide visibility and income opportunity for Hardin County artists through an entertaining and interesting art exhibition for the public, and to raise funds to support the library. This show will be based on the theme "SECOND EXPRESSION." The art that is submitted must be representative of recycling unused or unwanted printed library materials as a "SECOND EXPRESSION" of their long life and usefulness. This year we are accepting photography as well. The photo must depict an object that either came from or could have been in a library.

Within the theme of those works selected, we will try to show the best of as many different genres and varied media as possible. It is our hope and intent to display a broad representation of artistic form, style and media to provide the viewer an enjoyable experience at the show.

The judges will consider the following elements of artistic expression:

1. Interpretation and clarity of the theme "SECOND EXPRESSION" to the viewer.
2. Creativity and originality of the depicted theme.
3. Quality of artistic composition and overall design based on the theme.
4. Overall impression of the art.
